INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
The Wily Network, Inc.
Dedham, Massachusetts

We have reviewed the accompanying financial statements of The Wily Network, Inc. (the "Organization"), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of organization

The Wily Network, Inc. (the "Organization") is a Massachusetts nonprofit corporation established in 2013 to improve outcomes for youth who, having persevered through such life challenges as aging out of foster care, homelessness, or a lack of family support, are navigating their post-secondary careers independently. Scholars are provided the tools and networks necessary to thrive in four-year residential colleges, empowering them to transition successfully and become vibrant members of their communities. The Organization provides a critical safety net and programming specifically designed to help scholars achieve personal and financial wellbeing.

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis of financial statement presentation

The Organization's net assets and activities that increase or decrease net assets are classified as either unrestricted, temporarily restricted or permanently restricted:

Unrestricted net assets are those without any donor-imposed restrictions as to their use and are available for the general operations of the Organization.

Temporarily restricted net assets are those whose use by the Organization has been limited by donors to a specific time period or purpose (see Note 3).

Permanently restricted net assets have been restricted by donors to be maintained by the Organization in perpetuity. The Organization had no permanently restricted net assets during the year ended December 31, 2017.

Revenue and support are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions or by law. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments or other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

See independent accountant's review report.

NOTE 1. **DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Recently issued but not yet effective accounting pronouncements

Financial statement presentation

In August 2016, the Financial Accounting Standards Board (the "FASB") issued Accounting Standards Update ("ASU") No. 2016-14, *Presentation of Financial Statements of Not-For-Profit Entities* ("ASU 2016-14"), which amends the standards for the presentation and accompanying disclosures of financial statements of nonprofit organizations. The ASU is effective for years beginning after December 15, 2017, and will be applied on a retrospective basis. After the adoption of ASU 2016-14, the Organization's financial statements will report two classes of net assets, distinguishing between net assets with donor restrictions and those without donor restrictions. The financial statements will also include an analysis of expenses by function and nature, and provide enhanced disclosures about the Organization's liquidity and availability of its resources, and donor restrictions and designations of its net assets.

Revenue recognition

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers* ("ASU 2014-09"), which requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This ASU will replace most existing revenue recognition guidance in U.S. GAAP, including industry-specific guidance, when it becomes effective. This new guidance is effective for years beginning after December 15, 2018. The Organization is evaluating the effect that ASU 2014-09 will have on its financial statements and related disclosures.

Fair value measurements

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under the standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. Accordingly, guidance pertaining to fair value measurements provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

THE WILY NETWORK, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Cash and cash equivalents

The Organization considers all highly liquid investments with original maturities of three months or less to be cash equivalents. At December 31, 2017, the Organization reports cash equivalents with investments in these financial statements.

Investments

The Organization's investments are classified as other-than-trading and stated at fair value. Investment income is recognized when earned.

Promises to give

Unconditional promises to give are recognized as revenue or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Other receivables

Other receivables represent contributions made by donors to be used to support activities of the year in which the contribution was made.

Contributions and net assets released from restrictions

Contribution revenue is recognized as received or unconditionally promised. If the contribution is made in assets other than cash, the amount of the contribution is measured at the fair value of the asset contributed at the date the contribution or unconditional promise to give is made by the donor.

THE WILY NETWORK, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions and net assets released from restrictions (continued)

Contributions of cash, including collections of unconditional promises to give, and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same reporting period as received are reported as unrestricted contributions.

Gifts of long-lived assets such as property or equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Contributed services and in-kind contributions

Contributed services received by the Organization that either do not require specialized skills or would not typically be purchased if not provided by donation are not reported as support and expenses in the statement of activities. Contributed services and in-kind contributions which would typically be purchased if not provided by donation are reported as support and expenses in the statement of activities at estimated fair value based on comparable rates for similar products and services. In-kind donations during 2017 consist principally of legal professional fees.

Functional allocation of expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited. Certain management and staff expenses have been allocated to program and supporting services on the basis of time spent.

Income taxes

The Organization qualifies as a not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code. As a not-for-profit entity, the Organization is subject to unrelated business income tax ("UBIT"), if applicable. In accordance with FASB Accounting Standards Codification ("ASC") 740, *Income Taxes*, the Organization applies the "more likely than not" threshold to the recognition and derecognition of tax positions for its financial statements. Management has evaluated the Organization's tax positions and has concluded that there were no uncertain tax positions that qualified for either recognition or disclosure in these financial statements. The Organization files an informational return in the U.S. federal jurisdiction.

See independent accountant's review report.

Subsequent events

The Organization has evaluated subsequent events through October 18, 2018, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 2. INVESTMENTS

Assets and liabilities are measured at fair value based on one or more of the following valuation techniques:

- (a) *Market approach*: Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) *Cost approach*: Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach*: Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following table summarizes the Organization's investments measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy, as of December 31, 2017:

Description	Level 1: Quoted Prices in Active Markets for Identical Assets	Level 2: Significant Other Observable Inputs	Level 3: Significant Unobservable Inputs	Total at December 31, 2017	Valuation Technique
Cash equivalents, money market funds	\$ 9,854	\$ -	\$ -	\$ 9,854	(a)
Exchange traded funds, fixed income	1,021	-	-	1,021	(a)
Total	<u>\$ 10,875</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,875</u>	

During the year ended December 31, 2017, there were no transfers between levels of the fair value hierarchy.

The following methods and assumptions were used to estimate the fair value of each class of financial instrument for which it is practicable to estimate that value:

Money market funds: Valued at the daily closing prices as reported by the fund.

Exchange traded funds: Valued at the closing price reported on the active market on which the individual securities are traded.

See independent accountant's review report.

NOTE 3. TEMPORARILY RESTRICTED NET ASSETS AND PROMISES TO GIVE

Temporarily restricted net assets as of December 31, 2017, consist of promises to give. The restrictions thereon will be released as the underlying promises to give are collected. Promises to give due after one year are discounted at 2.3%.

Promises to give are due as follows:

<u>Year ending December 31,</u>	<u>Amount</u>
2018	\$ 50,000
2019	50,000
2020	50,000
2021	<u>12,500</u>
Total promises to give	162,500
Less discount to present value	<u>(7,700)</u>
	<u>\$ 154,800</u>

At December 31, 2017, promises to give were due from four donors.

NOTE 4. CONCENTRATIONS

For the year ended December 31, 2017, contributions from four donors comprised approximately 60% of contributions revenue.
